Smart Services

Under the slogan “logistics must be smart,” we deliver smarter services.

Air Freight

Air freight logistics service

Linked with the FedEx (TNT) global network for fast, safe worldwide transport. Beyond general door-to-door air cargo, we provide one-stop air logistics covering special cargo (frozen, chilled, blood, DGR) including customs and storage.

Sea Freight

Ocean freight logistics service

A specialist in ocean transport for dangerous goods (DG), ISO tanks and OOG heavy cargo. From FCL/LCL and cross-trade to customs and insurance, we provide ocean logistics that puts safety and compliance first.

Break Bulk

Break bulk specialist

We transport oversized, ultra-heavy cargo that cannot be containerized on a whole-vessel basis. We hold proven expertise in large project cargo, having chartered an entire 20,000-ton vessel for a successful 2018 shipment to Zhangjiagang, China.
